Housing for control devices 22mm, round 3SU1803-0AA00-0AB1 Number of command points 3, housing design surface-mounted housing, material of the housing plastic, diameter of the openings 22.3mm, color of the upper part of the housing gray, protection class (IP) IP67/IP69K, protection class (NEMA) 13, width 85mm, height 154mm, depth 64mm, housing for control devices, 22 mm, round, housing material plastic, housing upper part gray, 3 command points plastic, recess for signs, without equipment SIRIUS ACT housing for mounting the 22.5 mm control and signaling devices with spatially separated arrangement of control units and control cabinets. Under the brand name SIRIUS ACT, Siemens offers a unique portfolio of command and signaling devices with worldwide product approvals in four modern design series made of robust real metal and high-quality plastic. The innovative snap-on concept simplifies assembly so much that only one hand and no special tools are required. Groove-free holes are sufficient as mounting holes, as 100% anti-twist protection is already integrated. Thanks to the consistently high protection class, the robust devices are suitable for industrial use and outdoor use. Even cleaning with a high-pressure jet is possible. Neither dust, oils nor aggressive alkalis can disrupt reliable operation. In addition to standard wiring, the devices can also be connected to the controller via PROFINET, AS-Interface or IO-Link. This means you can reduce your wiring effort, minimize sources of error and gain more flexibility. The graphical online configurator provides convenient support when selecting and ordering individual devices, housings and labels. Extensive documentation (e.g. manual, 3D data, connection diagram) is available. Available versions: yellow/grey, plastic/metal, 1-6 command points, empty housing/pre-equipped, optionally with AS-Interface connection. SIRIUS ACT - Performance in Action when commanding and reporting. Simply assembled, simply strong, simply perfect.
