889,35 CNY excl. VAT**
plus shipping

15-16 days* (CHN)

The BEGA 70564 power supply is suitable for the operation of several LED luminaires. It is important to ensure that the maximum power of the power supply is not exceeded. The sealant-encapsulated version according to DIN EN 61558 VDE 0570 is dust-tight and provides protection from water jets. The high-quality power supply with safety transformer offers two mounting holes with a diameter of 4.5 mm. In addition, a cable gland with strain relief for the mains connection cable and one for the LED connection cable are integrated. Thanks to the dimensions of 215x55x50 mm and a weight of 1.2 kg, it is also particularly compact. Suitable for outdoor use, Output voltage: 24 V, Output power: 15 W, Protection class: IP65, Protection class: II

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
