Holder for 3 modules, metal 3SU1550-1AA10-1CA0 Number of changeover contacts 0 Number of NO contacts 0 Number of NC contacts 1 Rated operational current Ie at AC-15, 230 V 6A Electrical connection design other, Type of mounting Front mounting, socket without, holder, 3-way, metal, 1NC, screw connection SIRIUS ACT holder for mounting modular actuators and indicators. Standard: 3-fold holder, 4-fold holder only in connection with coordinate switch/toggle switch with 4 positions. Under the brand name SIRIUS ACT, Siemens offers a unique portfolio of commanding and signaling devices with global product approvals in four modern design series made of robust real metal and high-quality plastic. The innovative snap-on concept simplifies assembly to such an extent that only one hand and no special tools are required. Groove-free holes are sufficient as mounting holes, as 100% anti-twist protection is already integrated. Thanks to the consistently high degree of protection, the robust devices are suitable for industrial use and outdoor use. Even cleaning with a high-pressure jet is possible. Neither dust, oil nor aggressive alkalis can interfere with reliable operation. In addition to the standard wiring, the devices can also be connected to the controller via PROFINET, AS-Interface or IO-Link. This reduces your wiring effort, minimizes sources of error and gives you more flexibility. The graphic online configurator provides convenient support when selecting and ordering individual devices, housings and labels. Extensive documentation (e.g. manual, 3D data, connection diagram) is available. Available versions: plastic/metal, with/without modules. SIRIUS ACT - Performance in Action when commanding and reporting. Simply assembled, simply strong, simply perfect.

YOUR ADVANTAGES

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).
** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.
*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
