Ind.Ethernet Switch 4 port, managed BRS20-4TX Ethernet, number of 10/100 Mbps RJ45 ports 4, number of 10/100/1000 Mbps RJ45 ports 0, number of 100 Mbps SC ports 0, number of other ports 0, Mounting type DIN rail, Number of max. stackable switches 0, Layer 2, Manageable, Protection class (IP) IP30, Height 138mm, Width 57mm, Depth 115mm, Power supply redundant, The Managed BOBCAT switches from Hirschmann contribute to this thanks to extended safety functions Manufacturers can build next-generation networks. In applications that require maximum performance without limitations, these next-generation compact switches support real-time communication on all ports via Time-Sensitive Networking (TSN) technology. Advantages: simultaneously support multiple services in a network through TSN technology, enable future network expansions through higher bandwidths and speeds, use in extreme environmental conditions through extended temperature range and options for a 24 V or 48 V power supply, support for real-time TSN, Ethernet for precise Data transmission, innovative security features such as wire-speed access control, lists (ACL) and automatic denial-of-service (DoS) protection, expanded bandwidth functions through SFP slots with three speeds (100 Mbit/s, 1 Gbit/s and 2.5 Gbit /s), additional interface options through digital input ensure more flexibility, robust industrial design for use of the switch even under harsh environmental conditions

YOUR ADVANTAGES

WORLDWIDE TRADE
Corporate video eibmarkt®

99% CUSTOMER SATISFACTION
> 500,000 customers worldwide

DHL TRACK & TRACE

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
