Halogen lamp JD Ba15d 220-240V 250W 12850 energy efficiency class D, energy efficiency class spectrum A++ to E, lamp power 250W, lamp voltage 220 ... 240V, luminous flux 3600lm, base BA15d, lamp shape tube, single-ended, diameter 17mm, total length 75mm, frosted version, color temperature 2700K, Weighted energy consumption in 1,000 hours 250kWh, Average rated life 1000h, Attention: Deviations in the dimensions are possible due to production! Special halogen lamps for special use in wall and ceiling lights. The light of modern high-voltage halogen lamps, which is comparable to conventional light bulbs, is particularly pleasant and can also be dimmed without any problems - however, due to the higher light output, 230 V halogen lamps require less energy and also score points with a longer service life. Mercury content (mg): 0, switching cycles: 8000, color rendering index (Ra): 100, power factor: 1

YOUR ADVANTAGES

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).
** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.
*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
