Contactor 24-60 50/60 20-60VDC AF09-30-01-11 Rated control supply voltage U_s at AC 50 Hz 24 ... 60V, Rated control supply voltage U_s at AC 60 Hz 24 ... 60V, Rated control supply voltage U_s at DC 20 ... 60V, type of voltage for actuation AC/DC, rated operational current I_e at AC-1, 400 V 25A, rated operational current I_e at AC-3, 400 V 9A, rated operational power at AC-3, 400 V 4kW, rated operational power NEMA 1.5kW, number of auxiliary contacts as NO contact 0, number of auxiliary contacts as NC contact 1, connection type main circuit screw connection, number of NC contacts as main contacts 0, number of NO contacts as main contacts 3, contactors AF09 to AF96 from 4 to 45 kW AC-3 (400 V) stand for the compact series with AC/DC control and very wide coil voltage ranges. Only 4 coils cover control voltages from 20...500 VDC to 24...500 VAC - without the need for additional quenching elements. As a result, they can be used worldwide and only to a small extent. They switch power circuits with motors, slightly inductive or non-inductive loads. Flexibly exchangeable coil connection terminals allow connection from above, from below or from above and below. Attachable accessories are 1- and 4-pole auxiliary switches that can be attached to the front and 2-pole auxiliary switches that can be mounted on the right and left. Up to AF65, another auxiliary switch block with 1NO+1NC and coil connections A1 and A2 is available for coil connection on the front. All auxiliary break contacts are designed as mirror contacts according to IEC60947-5-1 Appendix L. Additional accessories such as timers, wiring aids and locking elements, among other things, complete the range.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
