Nail anchor N 6x40/7 P GP Drill hole diameter 6mm, attachment strength 7mm, length 40mm, material anchor plastic, screw system Pozidriv PZ, screw nail included, nail screw pin shape. The fischer nail anchor NP with mushroom head consists of a high-quality nylon anchor and a nail screw made of galvanized steel. These are already pre-assembled for quick installation. The nail anchor is inserted through the attachment in the time-saving push-through installation. When the nail screw is hammered in, the dowel sleeve expands and anchors securely in the building material. The fischer nail anchor NP with mushroom head is ideal for fastening thin attachments and attachments with slotted holes, especially in the visible area (interior).

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
